

Build Your Ice Cream Cone!

Counting by 10's Ice Cream Center

Calling all ice cream makers:

(Llamando a todos los fabricantes de helados)

*Students will cut out all ice cream scoops and cone.
(if not able to cut out, draw the scoops and write the numbers)

(Los estudiantes cortarán bolas de helado y cono.
Si no puede cortar, dibuje las bolas y escriba los números)

*Students count by 10's while
placing the scoops in order from
10 - 100. Color your ice cream!

(Los estudiantes contarán por 10 mientras
colocan las bolas en el orden 10-100.
Colorea tu helado)

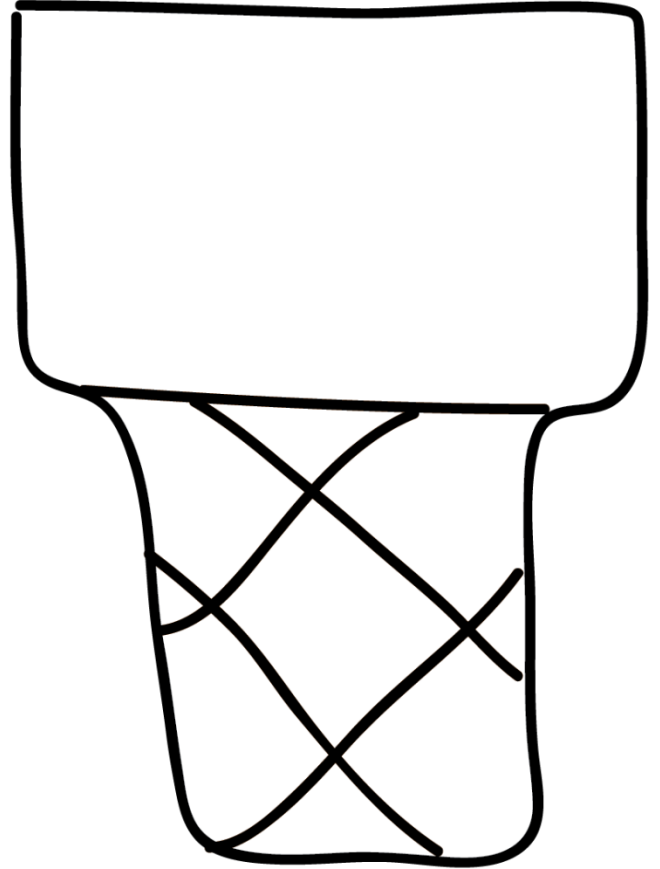

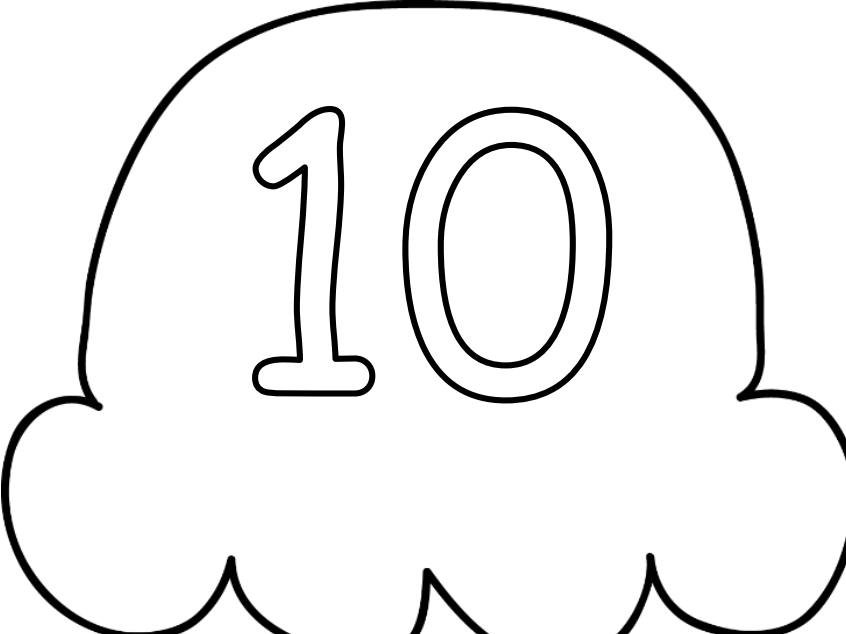

Always thinking about how wonderful you all are.

Siempre pensando en lo maravillosos que son todos ustedes.

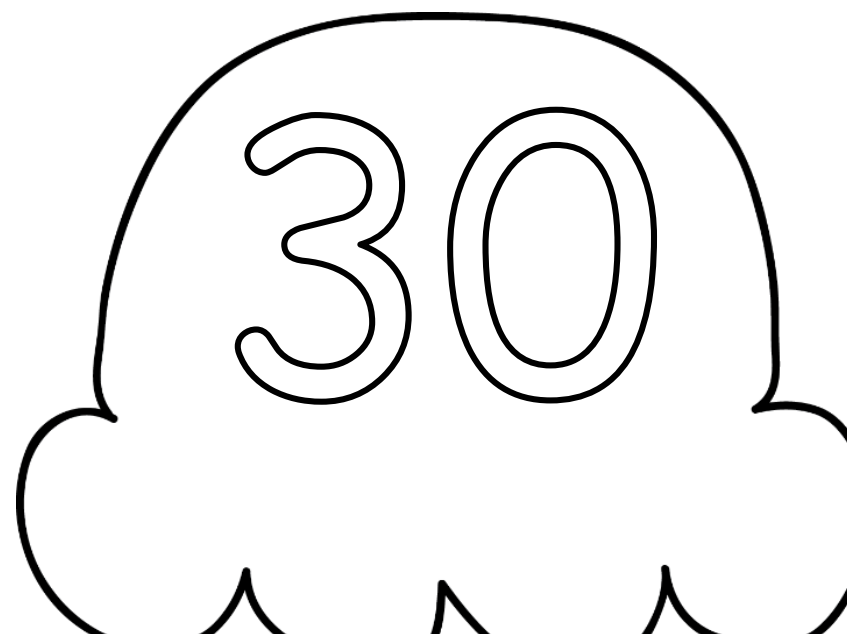

We miss you all very much.

Los extrañamos mucho a todos.
