

# Subitizing Task Cards

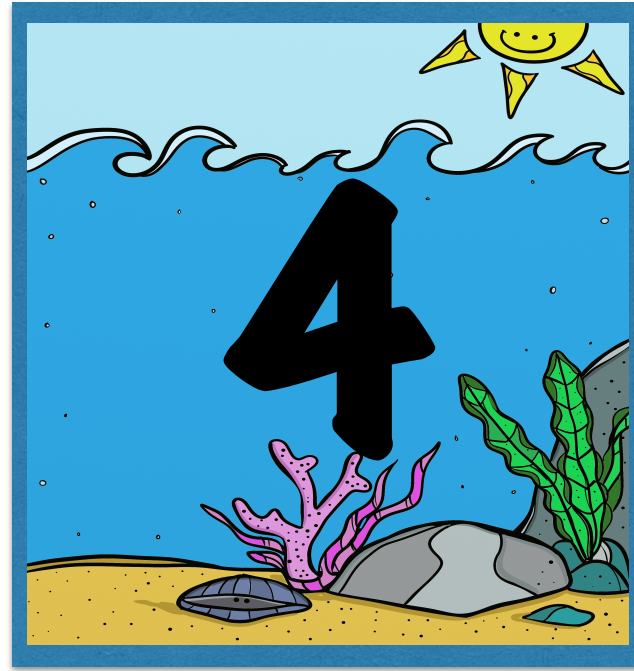

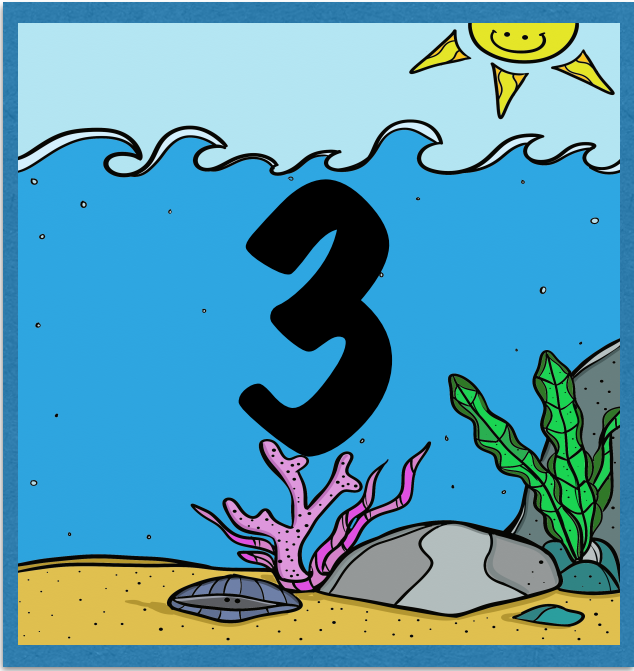

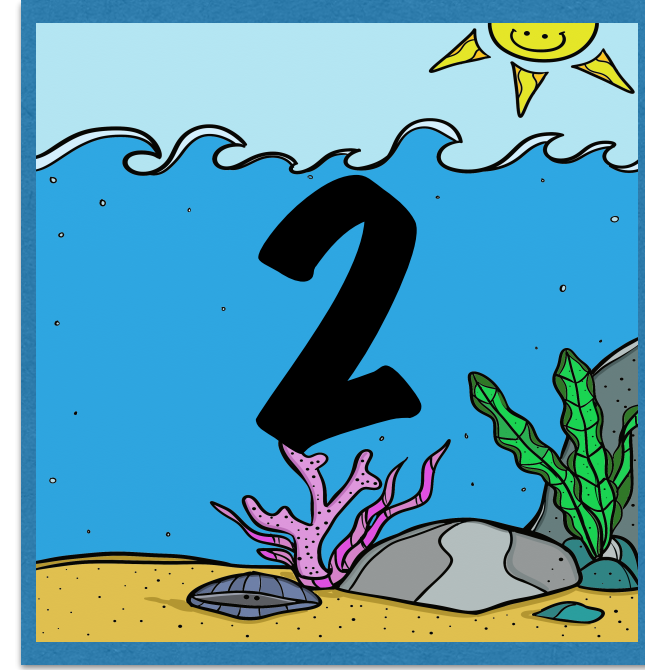

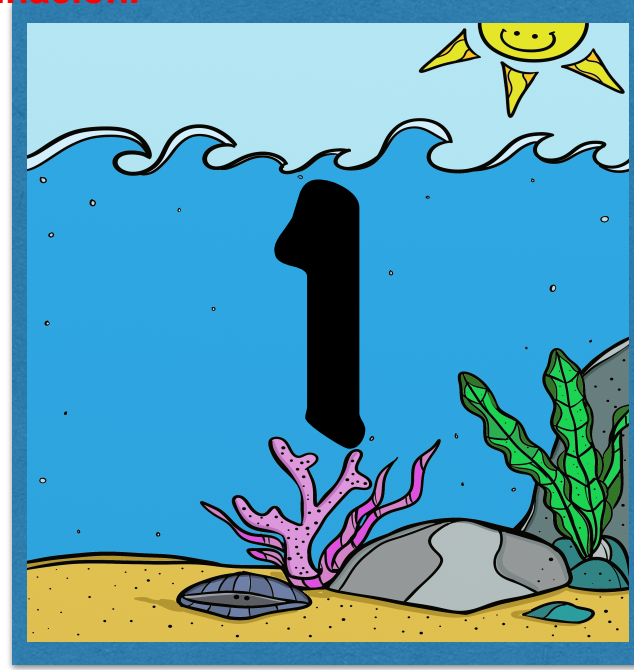

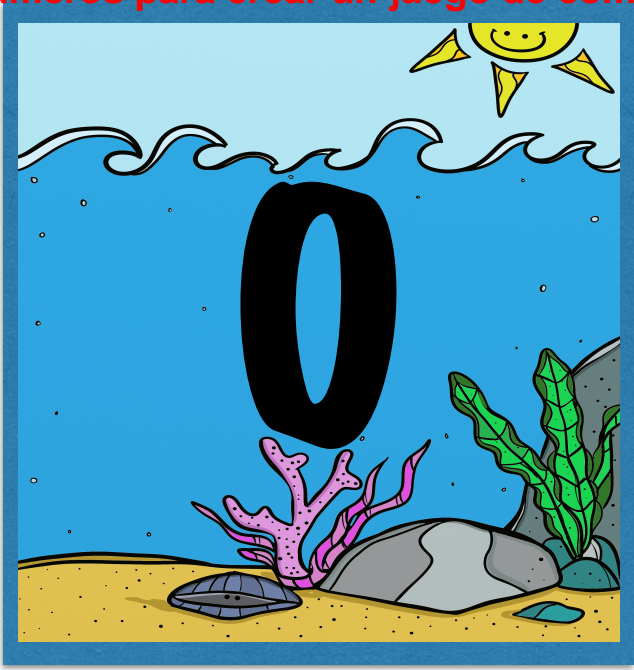

Tarjeta de tareas de subitización

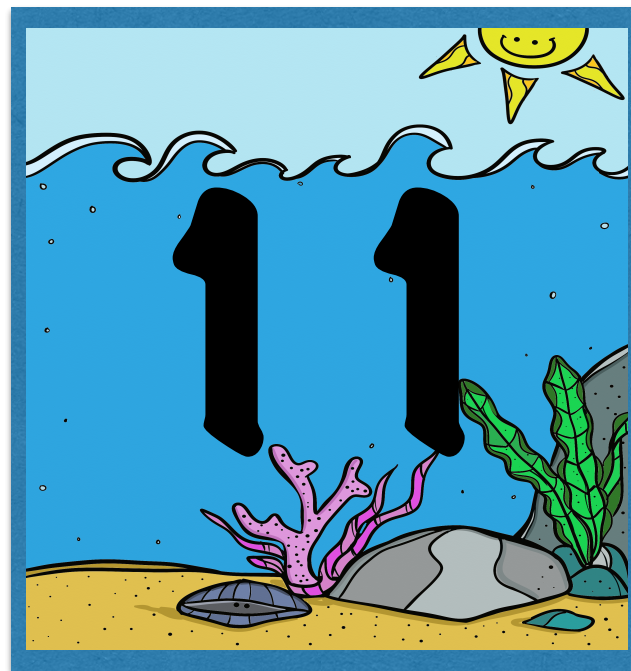

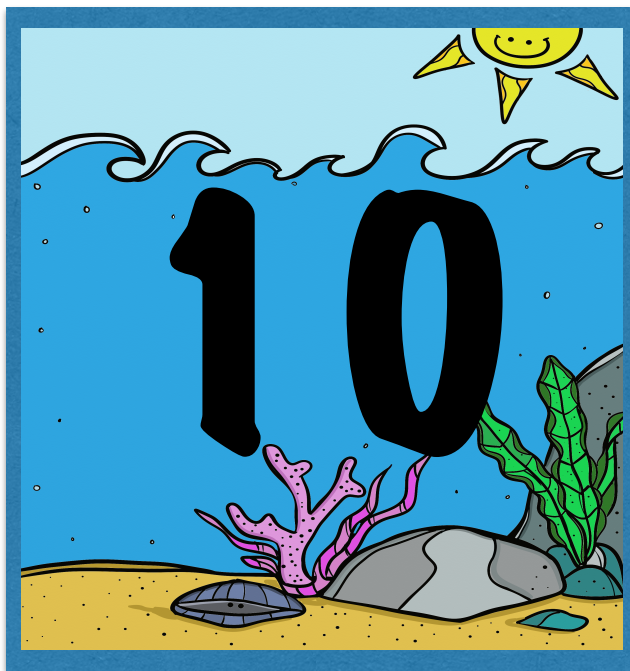

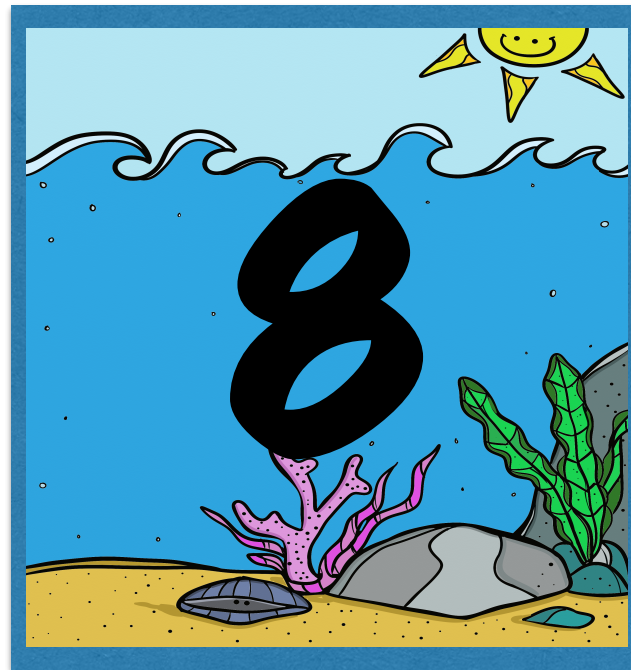

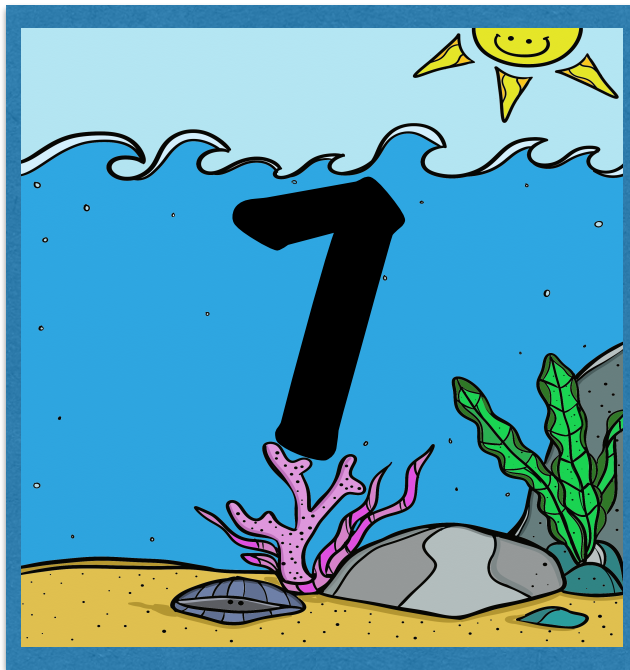

9

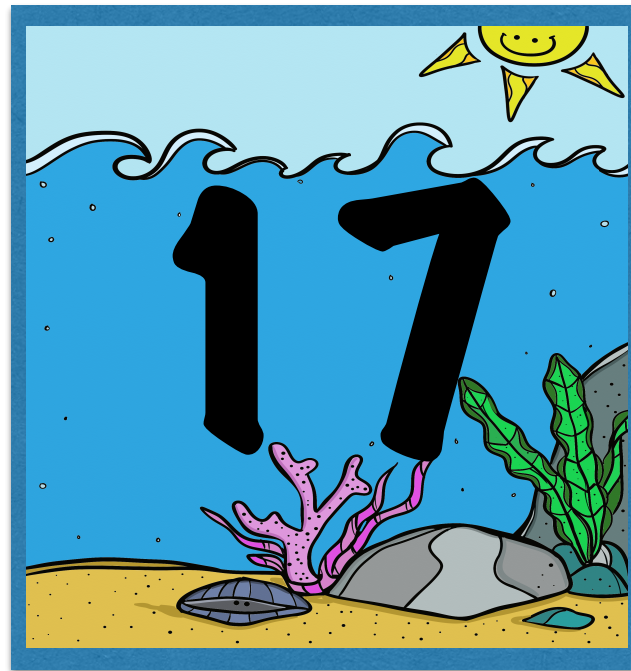

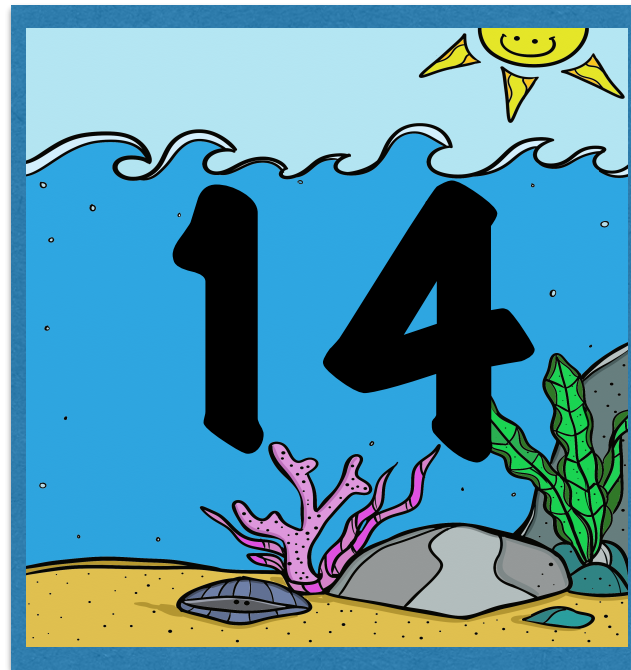

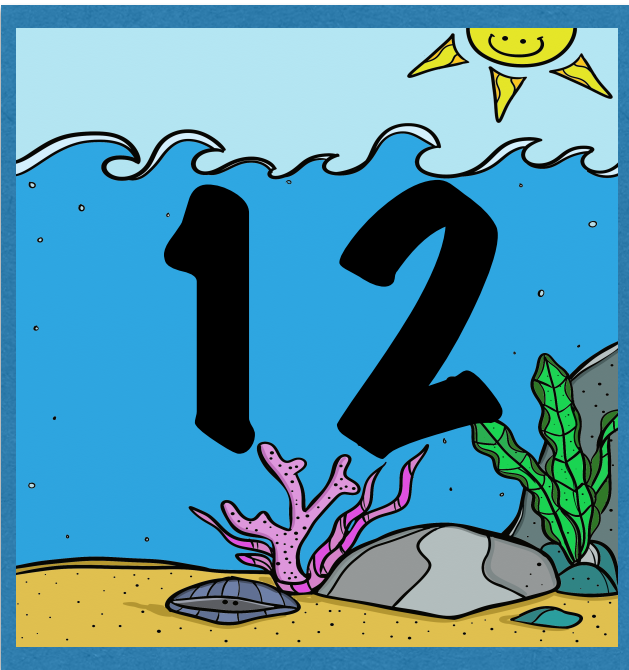

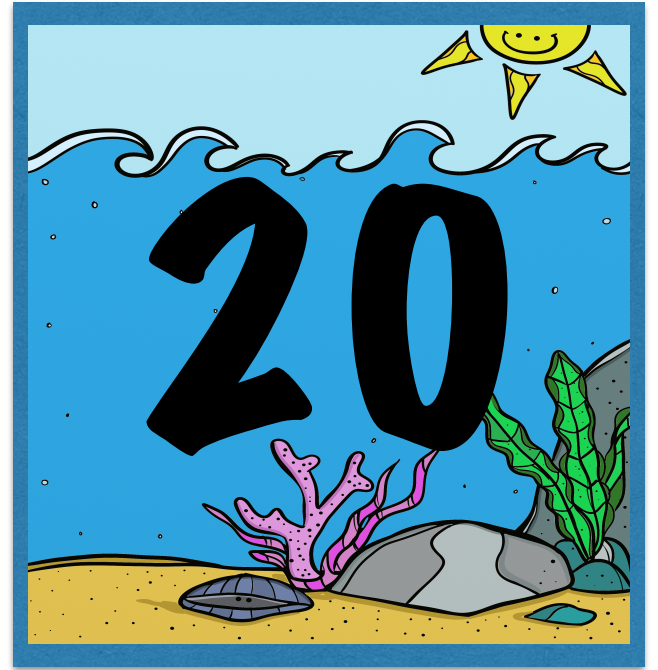

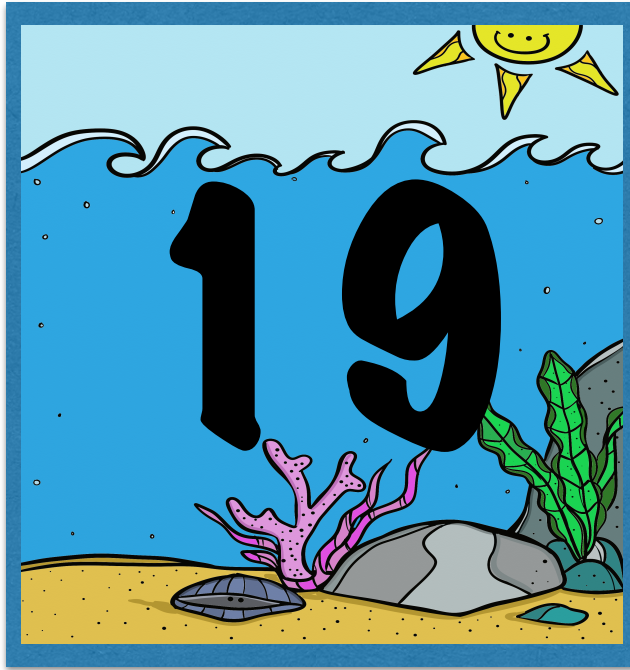

Please select one number at a time to match it to the rekenrek below. If able to, print and cut out the numbers to create a matching game.

Seleccione un número a la vez para que coincida con el rekenrek a continuación. Si puede, imprima y recorte números para crear un juego de combinación.

(hint: look at the arrows I have created for you to assist you as you match the numbers)  
(pista: mira las flechas que he creado para que te ayuden a medida que combinas los números)
